

# AMERICAN METAL PRODUCTS PRODUCT CHANGE NOTICE

**DATE:** April 2010

**PRODUCT LINE(S):** AMP GRD

**SKU:** S90HFF or S90VFF

**EFFECTIVE DATE:** Running Change

## **DESCRIPTION OF CHANGE:**

- To address customer problems regarding the size of the back frame and ease of installation
- The back frame was size plus 1/4-inch. It is now at listed size, eliminating fit issues and thus easing installation.
- The overall margin was listed size plus 2-5/8 inches. It is now listed size plus 3-3/4-inches. This makes covering rough openings easier.
- The S90HFF/S90VFF had a removable face. Is now non-removable, attached by fixed hinges. Faces can no longer fall out of the frame.
- The S90HFF/S90VFF opened using thumb latches. It is now operated by a slotted pan head screw, making operation much easier.
